nection, will be held in this city on the second

Yesterday morning about 2 o'clock an inebri-
ated individual staggered into Harry Stand-
ford's drug store and said to John Harrison:
"I wish scotch whisky."

"Yes," said John, rolling a pill, "its pretty
chilly."

"Gimme (hic) cocktail!"
John took a little quinine and aspirin, and
mixing them up with some reddish liquid
handed the dose to the man. He grasped
the glass, raised it tremblingly to his lips and
swallowed the mixture. John waited for
him to roll his eyes and get scared, but he
only wiped his lips solemnly and said, as he
laid fifteen cents down on the soda water
counter: "Put little more bitter (hic) an-
tish lemon in next time. Skip (hic) gutter."

And he rolled outwards and probably home-
wards. John has a dose ready for him when
he comes again that will make him think he
was a powder magazine and had swallowed a
fuse.

of thanks to Dr. Ayer for having introduced
Ayer's Pills into the Celestial Empire, called
them "Sweet Curing Seeds"—a very appro-

a sick man can invest in.

PARLOR, DINING ROOM,

LIBRARY FURNITURE!

We refer with especial pride to our advertisement of last week. Our sales ag-
gregated considerably more than we expected. The four floors of our building
were crowded continuously with buyers, and our force of employees was entirely too
small to attend to their wants. We had no idea when we inaugurated the sale
that it would result with anything but a partial success, but we were agreeably dis-
appointed.

We will not enumerate anything particular this week, excepting a clearance of
Odds and Ends that always accumulate more or less in a business like ours.

Remnants of Tapestry Brussels.
Remnants of Body Brussels.
Remnants of Moquette Carpet.
Remnants of Three Plys.
Remnants of Ingrains.

In fact, we will not be particular, but will
make Remnants of Everything.

OUR STOCK IS GREATLY REDUCED!
